

What to do in case of Fire on Clothing

1. If your own clothes are on fire, drop to the floor and roll to smother the fire.
NEVER RUN!!
2. If someone else's clothing is on fire, get the person to the floor and roll or
COVER WITH A FIRE BLANKET OR OTHER CLOTHING to smother the
flames.
3. Use a safety shower immediately thereafter. DO NOT USE A FIRE
EXTINGUISHER ON PEOPLE
4. If the fire originated from a non-chemical source you may apply water.
